INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, DC 20231

Sir:

In accordance with 37 C.F.R. 1.56, 1.97 and 1.98, Applicants submit herewith references which they believe may be material to the patentability of this application and with respect to which there may be a duty to disclose in accordance with 37 C.F.R. 1.56.

While the references may be "material" under 37 C.F.R. 1.56, it is not intended to constitute an admission that the references are "prior art" unless specifically designated as such.

The filing of this Information Disclosure Statement shall not be construed as a representation that no other material references than those listed exist or that a search has been conducted.

The references are listed in Form PTO-1449 which is in accordance with the requirements of M.P.E.P. 609. **Copies of references were filed on September 15, 1994, the benefit of which is claimed under 35 USC 120.**

The references are as follows:

1. PCT Int'l Publication No. WO 87/06941
2. PCT Int'l Publication No. WO 90/11296

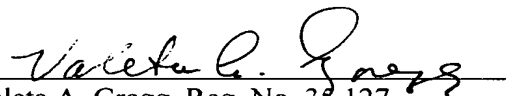

3. PCT Int'l Publication No. WO 91/11457 and
4. Parker et al., Diabetes, Vol. 40, Suppl. 1, page 237A (1991)

It is respectfully requested that these references be considered by the Patent and Trademark Office in its examination of the above-identified application and be made of record therein. The Examiner is also invited to contact the Undersigned if there are any questions concerning this paper or the attached references.

The information disclosure statement submitted herewith is being filed on filing date of application. Therefore, no fee is due.

Respectfully submitted,

Date: January 4, 2001
